

READ & RECORD CHILDREN'S STORIES VOLUNTEER POSITION DESCRIPTION

BACKGROUND AND PROGRAM SCOPE

Neighborhood House helps diverse communities of people with limited resources attain their goals for self-sufficiency, financial independence health and community building. At Neighborhood House, we have a deep commitment to valuing our employees', volunteers', and clients' diverse experiences and backgrounds, which guide our work for a more equitable future.

WHAT?

- Video record yourself reading a children's story. The videos will be uploaded to a Vimeo channel that will be distributed to families participating in Neighborhood House programs.

TIPS FOR SUCCESS

- Read with fun in your voice. Be expressive!
- Choose books with vivid pictures and make sure you show them to the camera.
- Introduce the book: point out the cover illustration, title, and author
- Our students represent many cultures and languages. If you have a favorite book or story in your language, please consider recording that to share with our families.

QUALIFICATIONS

- All volunteers must submit a signed photo/video release.
