

SHORT TERM VOLUNTEER OPPORTUNITIES

BACKGROUND AND PROGRAM SCOPE:

Neighborhood House partners with diverse individuals and families to build community and achieve their goals for health, education and self-sufficiency. During the year, we offer a variety of fun community events, which rely heavily on volunteer support to make sure things run smoothly. These opportunities are a great option for program volunteers looking to branch out, corporate groups, or for individuals who are unable to make the long-term commitment required by most of our other positions.

The following is a list of events hosted by our Community Health team. For each opportunity, volunteers would be assisting with the following tasks:

- Event Set Up
- Assist Event Sign In
- Help at our Agency Outreach Table
- Lead Kids Activities (face painting, games, arts and crafts, etc.)
- Food Prep and Service
- Garbage Pick Up and Monitoring of Compost/Recycle Bins
- Event Clean Up
