

GRAPHIC DESIGNER VOLUNTEER POSITION DESCRIPTION

BACKGROUND AND PROGRAM SCOPE

Neighborhood House (NH) builds community and increases access to housing, health, education, and economic opportunity. We envision a healthy, diverse, and welcoming community, free of poverty and racism, where all people thrive. As a human services agency, we run a variety of programs in King County in the realm of early childhood education, youth development, adult education and employment, housing stability, community health, and aging and disability services.

We are looking for assistance with designing a set of digital and print materials that demonstrate our values around diversity, equity, and inclusion. Example of design projects this role will work on include creating an NH LGBTQ+ pride logo and "All Are Welcome" signage for our sites.

RESPONSIBILITIES

- Create visually appealing designs such as logos, flyers, posters, and other signage for both internal and external usage.
- Adhere to existing agency brand standards, which will be provided.
- Collaborate with staff to present ideas, seek feedback, make revisions, and help coordinate any print spec issues as needed.

QUALIFICATIONS

- Proficiency in Adobe Creative Cloud products.
- Experience designing and developing branded materials.
- Commitment to social justice and creating welcoming, supporting, and affirming spaces.
- Experience working for or designing for non-profits a plus.

BENEFITS

- Work experience in a professional, rewarding environment.
- References from NH staff.
- Materials to build your portfolio.

TIME COMMITMENT

Hours are flexible but the volunteer must be able to have occasional virtual meetings during regular office hours and be able to meet hard deadlines for some projects.
