School Readiness

Our main educational goal prepare children & families to successfully transition to elementary school.

GOAL TOPIC #1 – APPROACHES TO LEARNING Children will be curious and engaged in the learning environment, and show persistence in approaching tasks.

GOAL TOPIC #2 – LANGUAGE AND LITERACY Children will increase their ability to express and comprehend language.

GOAL TOPIC #3 – COGNITION AND GENERAL KNOWLEDGE Children will utilize problem-solving strategies and known information to seek multiple solutions to a problem and to identify cause and effect relationships.

GOAL TOPIC #4 – PHYSICAL DEVELOPMENT AND HEALTH Children will increase their ability to move with direction and refined coordination and will be able to manipulate a variety of objects.

GOAL TOPIC #5 – SOCIAL AND EMOTIONAL DEVELOPMENT Children will demonstrate self-regulation by shifting attention between tasks, moving through transitions and self-care routines with minimal assistance, and interacting cooperatively with peers and adults.

Parent & Family Engagement

Parents in our program receive individualized family support services, kindergarten transition support, and referral to community resources. We also offer a range of opportunities for parents to engage in their child’s learning & education. In 2023 our parents participated in:

- Early Head Start Socializations
- Policy Council Meetings & Leadership Training
- Neighborhood House Board of Trustees
- Parent Meetings
- Individual Education Plans
- Individualized Health Plans
- Family Health and Wellness Training
- Family Goal Setting
- Research Based Parenting Classes
