Neighborhood House 117th Anniversary

ABOUT NEIGHBORHOOD HOUSE

For 117 years, Neighborhood House has created opportunities for people who face cultural, language, and systemic barriers to live longer, happier, and healthier lives. We envision a healthy, diverse, and welcoming community, free of poverty and racism, where all people thrive. Neighborhood House creates opportunities for people who face cultural, language, and systemic barriers to live longer, happier, and healthier lives. We do this by providing free services that are culturally & linguistically relevant to immigrants, refugees, BIPOC, and low-income community members in King County.

ABOUT SPONSORSHIP OPPORTUNITIES

Neighborhood House has moved away from a tiered sponsorship model. Instead, we welcome partners to sponsor our event at whatever amount is meaningful for them. In 2022, our sponsorships ranged from \$250-\$15,000, and the average sponsorship was \$3,823. Our goal this year is to raise \$100,000 through our generous sponsors.

As an expression of our gratitude for your support, **all 2023 sponsors** will receive visibility in the following ways:

- Logo placements on event communications
- Logo placements on Neighborhood House event webpage
- Name on Neighborhood House Partnership webpage: www.nhwace.org/partnerships/
- Mentions during the event
- Shout-out on the Neighborhood House Facebook page (3,700+ followers) and other social media channels
